

**Save the date!**

**EAST MIDLANDS DEMENTIA DAY**  
**Friday 21st November 2014**

This one day conference for Secondary Care Specialists, GP's and Community Nurses has been organised and funded by Napp Pharmaceuticals Ltd. Professor Rowan Harwood, Consultant Geriatrician, Nottingham University Hospitals and Karen Harrison Denning, Director of Admiral Nursing and Independent Dementia Nurse Consultant have provided support to Napp in connection with advising on meeting agenda content and will be presenting at the event. Nottinghamshire Public Health has provided logistical support for this meeting.

The programme will include topics such as Pain in Dementia, Professor Peter Passmore, Queen's University Belfast, Treatment of Dementia including BPSD, Professor Graham Stokes, Dementia Care Bupa, Advanced Care Planning & End of Life, Dr Margaret Elliot, University College London. *(full programme to follow)*

Location: East Midlands Conference Centre, Beeston Lane, The University of Nottingham, NG7 2RJ

To express an interest to attend this 'free of charge' meeting please contact:
